## CANDIDATES' FORUM GUIDELINES

- The forum should be supervised and moderated by the Nominating Committee.
- The Chairman of the Nominating Committee should chair the forum. The Chairman of the Nominating Committee may, in turn, delegate the responsibility to another member of the Nominating Committee.
- **Moderators and event organizers should not wear campaign buttons or otherwise endorse a candidate at the forum.**
- All questions should be in writing and submitted to the moderators (Nominating Committee members) who will be stationed at each door. The questions should be accompanied by the name of the submitter, his or her member number, the name of the represented chapter, and chapter officer position.
- If there are too many questions for the time allowed the questions from National Directors and/or voting delegates will be given priority.
- All candidates will be given two minutes to make opening comments before the questions begin and will be given one minute to make closing remarks at the end.
- To ensure each candidate an equal opportunity to answer the submitted question and to allow time for all issues to be addressed, the responses should be limited to two minutes per candidate, per question, and a timekeeper will be present to assure that this criterion is met.
- The moderators will peruse questions for duplicates or combining before they are asked of the candidates.
- Candidates should not receive a copy of the questions prior to the forum.
