

THE COUNTDOWN IS ON!

We're just weeks from the start of Family RV Association's 110th International Convention & RV Expo at the Georgia National Fairgrounds & Agricenter in Perry, GA. I hope you are as excited as we are to get the show started.

During your registration for the event, you indicated that you wished to have your confirmation packet held at Will Call. The confirmation packet includes several items that you should have before you arrive in Perry. We thought it would be a good idea to provide you with all the pre-convention information that other attendees have received through the mail to make sure you are up to speed with all that is planned for the event.

Attached you will find the Confirmation Guide that includes much of the nuts-and-bolts information needed to get you to Perry and to help you get settled. **Please follow the directions indicated in the Confirmation Guide when arriving in Perry.** Do not totally rely on a map or GPS to get you to the Welcome Area. We worked closely with the local law enforcement agencies to get you off the highway and to keep traffic moving smoothly onto the grounds.

A second attachment is a Will Call parking card that we ask you to print out and tape to the lower right-hand section of the driver-side windshield. This will help parkers identify the RVs that need to be directed to Will Call first before being staged to park, making the parking procedure more efficient.
