■ ABOUT FMCA

FMCA is an international organization of RV owners whose travel experiences have been enhanced through their membership. As the world's largest not-for-profit RV owners group, we are your extended family on the road.

All FMCA members receive an FMCA member plate and decal and are encouraged to display them proudly. That way, fellow members can easily recognize you, and greet you, during your travels.

FMCA members are recognized by the public as being among the very best RV owners, because members endeavor by their individual actions to be good neighbors, careful and responsible RV owners and operators, and good citizens of our communities.

The following benefits guide briefly outlines the privileges, special services, discounts, and entitlements available to you as an FMCA member. There are lots of reasons you'll love being an FMCA member, and tops on that list is FMCA's greatest benefit...

You!

One of the greatest benefits of FMCA membership is the opportunity to enjoy the camaraderie of those who share a common interest in RVing. As you pass along a friendly greeting to other members entering a campground, welcome a fellow FMCA member to share your campfire or attend a rally and meet dozens of new friends. FMCA members have a rich tradition of extending a welcoming hand of friendship to one another!
